

BLUE OCEAN FILM FESTIVAL GUIDED WHALE WATCH

Monterey Bay is the Whale Watching Capital of the World and the extensive list of whales and dolphins either residing in, or visiting the bay throughout the year make the Monterey Bay National Marine Sanctuary a whale watching paradise!

"Monterey Bay is known as one of the best places in the world to view whales and dolphins in their natural environment!"

Peggy Stap, Marine Life Studies

Join us on an exciting adventure into the Monterey Bay National Marine Sanctuary exploring the whales, dolphins, and other marine wildlife that call these waters their home. Peggy Stap and Jenna Contuchio will be your personal guides aboard a beautiful 100 foot whale watch boat on this exploration of the marine animals of Monterey Bay. Learn about various feeding behaviors, social structures, and habitat threats on different species of marine animals in addition to fun facts about whales, dolphins and the sanctuary.
