Cancellation Policy

A cancellation rate will be charged to the user if a boat is reserved and not used unless we are notified of the cancellation two business days in advance. This rate will be based on four hours of the hourly rate normally charged for Current'Sea.

This policy will also be extended to those who wish to block out boat time (standby) for Current'Sea based on the premise that they may or may not use the vessel but wish to have the vessel available specifically for their use during the blocked out time. This rate will also be based on four hours of the hourly rate normally charged for Current'Sea.

RATES MAY CHANGE WITHOUT NOTICE.
